STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

SIR:

This is in response to the Interview Summary mailed July 20, 2007, the one-month response date for which is August 20, 2007.

Applicants thank the Examiner for the courtesies extended during the telephone interview of July 11, 2007 between Examiner Chavis and Aaron Grunberger (Reg. No. 59,210).

The following is a Statement of the substance of the interview of the telephone interview of July 11, 2007.

During the course of the telephone interview, no exhibit was shown and no demonstration was conducted.

During the course of the telephone interview, the anticipation rejections of claims 1 to 16 were discussed. Applicants' representative explained the term "generation setting" as used in claims 1 and 9. Applicants' representative further noted that the Final Office Action did not address each of the features of the remaining independent claims. Particularly, features of claims 5 and 6 were cited as examples of the non-addressed features.

During the course of the telephone interview, Examiner Chavis indicated that he would reevaluate whether U.S. Patent No. 6,922,685 ("Greene et al.") discloses all of the features of each of claims 1 to 16.

The general result or outcome of the telephone interview is that no agreement was reached regarding the anticipation rejections of claims 1 to 16.

While no fees are believed to be due, the Commissioner is authorized, as appropriate and/or necessary, to charge any fees (including any Rule 136(a) extension fees) or credit any overpayment to Deposit Account No. **11-0600**.

Respectfully submitted,
